Heritage Centre Open Weekend & Church Tours

Photography • Heritage • History

This summer, The Heritage Centre is proud to host a special exhibition in collaboration with Brixworth Photographic Society.

Explore a fascinating collection of photographs by local photographers, with selected prints available to purchase. Proceeds from sales will help support the work of The Friends of All Saints Church Brixworth.

While you're here, join one of our guided church tours and discover the history, architecture and stories behind one of England's finest parish churches.

Open on selected weekends throughout the summer.
